

Dear parents,

There will be no new assignments posted on our website next week. Please practice any skills that your child may need to review and begin gathering remote learning work examples for your child's next year's teacher. You will find directions on how to do this below. This work example packet will be collected at school in June when you are invited to retrieve your child's belongings.

- Reminder that the last day of school will be **June 4th**.
- Last week's assignments and activities are still on the website [EES Kindergarten Home Learning](#). Please scroll down to the bottom of each page to see all previous assignments.
- Library book information is attached to this email.

- In a folder or a Ziploc bag, students put together work examples they would like to share with their next year's teacher in 20-21.
 1. A writing sample
 2. A list of five favorite books (books your child read and/or read to them)
 3. Five math pages (4 that they are really proud of and 1 that was challenging)
 4. Two other examples of work they are proud of
- Bring to school and drop off when they retrieve their belongings June 22-25.
- The office staff will organize the packets for next year's teacher.
